Glossary

- ▶ **Opening Balance:** Fund units of your policy and amount in a particular fund as on date mentioned
- ▶ **Allocated Premium:** Premium Paid less premium allocation charge that is utilised to purchase units under the policy
- ▶ **Net Switch:** When units are moved from one fund to another, it is called Net Switch. When units are moved out of a fund, it will appear with a '-' symbol, and when units moved into a new fund, it will appear as addition
- ▶ **Closing Balance:** Fund units of your policy or amount in a particular fund as on the date mentioned
- ▶ **Charges Applied:** This is inclusive of Allocation charges, Life Insurance cover charge (Mortality charge), Policy administration charge, Switch charge along with applicable taxes
- ▶ **Definition of Charges:**
 - ▶ **Life insurance cover charge (Mortality charge):** The most important benefit of your policy is the life insurance cover that it provides. Life insurance cover charge (Mortality charge) refers to the charge that you pay for this benefit
 - ▶ **Policy administration charge:** This is a charge levied towards the administration of the policy at the beginning of each policy month from the policy fund by cancellation of units of the equivalent amount
 - ▶ **Switch charge:** This is a flat charge levied on switching of monies from one fund to another available within the product (wherever applicable). The charge will be levied at the time of effecting the switch
 - ▶ **Applicable taxes:** For Unit Linked Insurance Plans, taxes are applicable on charges levied. The taxes will be charged as per applicable rates and prevailing tax laws

Important Information

- ▶ In ULIP policies, the investment risk in the investment portfolio is borne by the policyholder. The past performance of the Investment Funds is not indicative of their future performance. The names of the Investment Funds or of the Policy are not indicative of the returns that may be expected of them.
- ▶ Please note customers availing ECS mode of payment can request to modify ECS mandate 15 days before the premium due date
- ▶ As stipulated by IRDAI, the formula for computation of the Net Asset Value per Unit (NAV) for linked funds stands modified effective August 18, 2011: less value of current liabilities and provisions, if any and divided by the number of units existing on the valuation date.
- ▶ For complete details on applicability of NAV on ULIPs as per the current IRDAI guidelines, refer to policy terms & conditions.
- ▶ In the event of discontinuance of payment of premium, partial withdrawal or surrender of the policy, etc, benefits payable will be in accordance with the policy terms and conditions. The surrender value may be different from the Fund Value as mentioned in this statement.
- ▶ The Fund Value may change as per the Net Asset Value (NAV) declared on a daily basis. The NAV can be accessed on our website www.iciciprulife.com / Mobile App
- ▶ Goods and Services Tax Registration Number: For details of the Goods and Services Tax registration number applicable in your state, refer <https://www.iciciprulife.com/gstin.html>. Goods and Services Tax and cess (if any) will be charged as per applicable rates and prevailing tax laws.
- ▶ The unit statement shall be read in conjunction with the terms and conditions mentioned in the policy document.
- ▶ This is an authenticated statement which does not require any signature. In case of any discrepancies, please notify us immediately through any of our contact points.
- ▶ Please note that the Company reserves the right to obtain and update PAN details with the assistance of financial institutions, credit rating agencies or any other entities with which the company has tie-ups. The company will intimate you when PAN details are updated.
- ▶ Policy status is as on the date of generation of this statement and does not reflect the status at a future date.No
